

Supported by a grant from the Puget Sound Partnership

# CLINTON WATER Forum

**Saturday March 13, 9 a.m. to 4 p.m.**

Please join us for a fascinating day of presentations, workshops and discussion with local water quality experts who know the concerns faced by the citizens of South Whidbey.

**Registration opens at 8:30**

**Space is limited, so advance reservations are highly recommended.**

**Lunch by Whidbey Island Nourishes.** WIN is a non-profit, volunteer organization committed to providing nutritious meals on non-school days for children in need on South Whidbey. Lunches include a meat and cheese sandwich, string cheese, fresh fruit, veggie sticks, yogurt and home baked treat - plenty for lunch and a snack! Lunches are \$6.00/ea and all profits go to WIN. For any special dietary needs, contact Mary 360-579-2329.

All presentations are free. There is a fee for "Clean & Simple" cleaning bucket project with Janet Hall, WSU Island County Extension Waste Wise Coordinator. Participants will make a bucket of clean and safe cleaning products to take home. This is normally a \$15.00 workshop. We are offering it for \$7.50. Pre-registration is necessary so that materials can be purchased ahead of time.
