

A Place to Build Community

Founded in 1907, the Clinton Progressive Association is a civic, non-partisan, non-denominational and nonprofit organization.

The Clinton Progressive Association owns and operates the Clinton Community Hall. The current hall was built by the association in the 1960s and has been used continuously by the community for weddings, family celebrations, fundraisers, dances, community meetings, bingo and innumerable Island potlucks. We welcome your questions and look forward to working with you to meet your needs and your budget.
